

### **District Three Report October 2025**

Not much to report across the district, I'm only in regular contact with Allen and Whitley Counties. No potential local candidates at the moment, but Jarrad Lancaster is planning to run for Congress again.

Our Service Saturday has been announced for November 8th. We are collecting donations for BABE in Whitley County. Here is some information about how they are helping children in the county get off to a good start:
