

Secretary Report June 28, 2025:

- **I accessed Civi to refamiliarize myself with the tools. I will begin working on updating meeting agendas and minutes this week.**
- **I reached out to Alyssa Salgado, Michael Schultheiss, and Greg Noland to retrieve any state files in their care.**
 - **Alyssa is out of the country at the moment and will contact me when she returns.**
 - **Michael does not have any physical files in his care.**
 - **Greg Noland has the bulk of the physical files. I will need to schedule a time to meet with him. I may need some additional bodies to help move everything he has. I will make that determination after I assess the situation.**
- **I reached out to Evan McMahon earlier this week to get his notes on the March 2025 SCC meeting minutes. I will make those changes once I have received his comments.**
- **I am unable to attend the July 20th SCC meeting due to travel and family medical obligations.**

Respectfully submitted,

Stephanie Dasbach
